S I R:

Petitioner's attorney, Christopher P. Rauch, who has no interest herein other than as an agent, in behalf of the applicant and/or assignee, Sony Corporation, the owner of 100% interest of the instant application, hereof hereby disclaims, except as provided below, the terminal part of the statutory terms of any patent granted on the instant application, which would extend beyond the expiration date of the full statutory term defined in 35 U.S.C. 154 to 156 and 173, as presently shortened by any terminal disclaimer, of U.S. Patent No. 6,507,342, which was filed on July 23, 1993 and issued on January 14, 2003. U.S. Patent No. 6,507,342 was filed as U.S. Application No. 08/095,348, which is a continuation application of U.S. Application No. 07/643,194 filed July 18, 1991. Petitioner, Sony Corporation, is the assignee of both U.S. Patent No. 6,507,342 and U.S. Application No. 07/643,194 by virtue of assignment recorded in the U.S. Patent and Trademark Office on Reel 5703, Frame 736. Petitioner hereby agrees that any patent so granted on the instant application shall be enforceable only for and during such period that it and the prior patent are commonly owned. This agreement runs with any patent granted on the instant application and is binding upon the grantee, its successors or assigns.

In making the above disclaimer, Petitioner does not disclaim the terminal part of any patent granted on the instant application that would extend to the expiration date of the full statutory term as defined in 35 U.S.C. 154 to 156 and 173 of the prior patent, as presently shortened by any terminal disclaimer, in the event that it later: expires for failure to pay a maintenance fee, is held unenforceable, is found invalid by a court of competent jurisdiction, is statutorily disclaimed in whole or terminally disclaimed under 37 C.F.R. 1.321, has all claims canceled by a reexamination certificate, is reissued, or is in any manner terminated prior to the

expiration of its full statutory term as presently shortened by any terminal disclaimer.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 or Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

The Commissioner is hereby authorized to charge the amount of \$130.00 for the terminal disclaimer fee to the Attorney firm's credit card. A duplicate of this sheet is enclosed. A copy of PTO Form 2038 is enclosed for this purpose.

The undersigned is an attorney or agent of record.
